

Mark VII Acquires Calgary Distributor TD Industries

May 20, 2010 – Arvada, Colorado – Mark VII Equipment Inc., the US subsidiary of WashTec AG of Germany, the leading producer of vehicle washing equipment worldwide, today announced it has acquired the assets of its distributor TD Industries and opened direct operations in Calgary, Alberta.

“We welcome the TD Industries team to the Mark VII family,” said Murray Kennedy, CEO of Mark VII. “They’ve been selling Mark VII carwash systems and chemicals in western Canada for six years and are well-respected throughout the region for providing great service and support to their customers. They’re also experienced at servicing customers that own equipment from multiple vendors, which is a key part of Mark VII’s strategy of being the go-to partner for multi-site operators, so it’s a perfect time to join forces.”
