

Mark VII Completes Third Acquisition in Canada

July 22, 2010 – Arvada, Colorado – Mark VII Equipment Inc., the US subsidiary of WashTec AG of Germany, the leading producer of vehicle washing equipment worldwide, today announced it has acquired the assets of carwash distributor Chem Tec West Enterprises Ltd. in the provinces of Alberta, Manitoba and Saskatchewan. Concurrently, Mark VII has signed Chem Tec West as a distributor in British Columbia.

“This is a strategic addition to the direct operations we launched in Canada over the past few months,” said Murray Kennedy, CEO of Mark VII. “It augments our service team and expands our customer base in these three provinces, giving us the critical mass to ensure a high level of service and support to all customers.”

“We’re excited to take on the Mark VII line and focus on our business in British Columbia,” added Les Weiss, President of Chem Tec West. “We are committed to providing the same top notch service and chemicals to Mark VII customers that we provide to our current customers.”
