

AFD Petroleum Ltd.

Servicing Western Canada since 1989, AFD has extensive experience in the industries it serves. The ability to address and overcome the challenges of those industries has earned AFD an excellent reputation in customer service and a broad knowledge in providing a dependable fuel supply, regardless of the remoteness of the site. AFD has earned its reputation in the industries served by hiring the best people for the job, focusing on diverse experience levels and the highest quality employees. AFD fosters a culture of friendly, open communication and hard work, while ensuring that employees are given the opportunity to grow and learn, with training programs for professional development, opportunities for advancement, and excellent benefits and compensation. AFD has the best people in the right locations to provide the service customers need. If you're passionate about customer service, love a challenge, and want to be part of a dynamic, fast paced and award winning team, we are looking for you. Are you up to the challenge?

AFD is currently looking for a full time Petroleum Systems Supervisor for our Fort Saskatchewan branch. The ideal candidate will have a background in the fuel industry, along with strong communication and computer skills. Technical abilities and trouble shooting skills are also an asset. Travel and emergency response availability is required.

AFD Petroleum Ltd. offers competitive wages and excellent benefits. We look forward to hearing from you by applying on line to [hr@albertafuel.com](mailto:hr@albertafuel.com). We thank you for your interest in our company.
