

## **Mark VII Names Management Team for Mark VII Canada**

July 27, 2010 – Arvada, Colorado – Mark VII Equipment Inc., the US subsidiary of WashTec AG of Germany, the leading producer of vehicle washing equipment worldwide, today announced it has appointed Mike Johnston as VP Sales and Service and Brad Moyer as VP Finance and Administration for Mark VII Canada. Both joined Mark VII as part of its recent acquisition of Toronto distributor Advantek, where they were partners and co-founded the company.

“We’ve gone from zero to sixty by integrating three acquisitions to form Mark VII Canada in the past sixty days,” said Murray Kennedy, CEO of Mark VII. “Mike and Brad are the perfect team to ensure we provide best-in-class sales, service and support to Canadian carwash operators.”

### **Notes to Editors**

#### **About Mark VII Equipment Inc.**

Founded in 1966 and headquartered in Arvada, Colorado, Mark VII is a wholly-owned subsidiary of WashTec AG of Germany, the leading producer of vehicle washing equipment worldwide. The combined companies have a global installed base of over 30,000 units and sell a complete line of touch-free and friction rollover, self-serve, truck and tunnel carwash systems, as well as ancillary products and services. WashTec AG is a German corporation. WashTec AG and Mark VII are not related to or affiliated with Integrated Services, Inc., a United States company that markets a car wash controller product in the US under the trademark WashTEC.
